Need Larger Quantities? See Page 3 for Screen Printed Signs.

10 mil Corrugated Plastic

10 mil corrugated plastic is a thicker, more durable material. This type of corrugated plastic is a much heavier product. It is recommended for outdoor use and can typically be used for longer durations because of the increased thickness.

Digital Full Color

	18" x 24"	24" x 36"	36" x 48"	48" x 96"

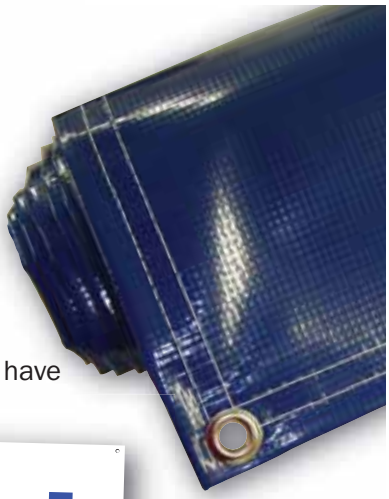
Custom Vinyl Banners



Banners are made with 14 oz. heavy duty reinforced banner material and are available in 20 standard colors. Double-sided banners are made of 16 oz. material.

All banners are double stitched around the perimeter. We use a double-lock stitching that increases the durability and improves the appearance of your banner.

Nickel grommets are placed every 2' to 3' apart across the top and bottom of banner. Grommets have inside diameter 3/8 inch and outside diameter 5/8 inch.

Break Away Banners

Break-Away Banners: We attach two banner halves together at the top, center, and bottom with sewn-in velcro hook and loop fastener. Break-Away banners pull apart as players make their way onto the field which means there is no excessive stress put on the banner or the people holding the banner in place. Our unique construction means the Break-Away banner is reusable. Simply reattach the banner sections at the velcro hook and loop seams, roll the banner up and store it for the next big game. Each banner has pole pockets on each side to accommodate up to a 2" pole.
